A happy memory

My name is Adel and I like helping people. I **do chores** for my parents at home and I go with my mum and my sisters to help clean up **plastic bottles** from the beach, even in winter.

I have many happy memories but my favourite is from last Ramadan. My father and I gave small **snacks** to **tired** drivers before Iftar. I am short so my father lifted me to give the snacks because I couldn't get to the drivers. The drivers were so **shocked** to see me giving them food, but very happy! I like to help people and make them smile.
